## *All About Renting ...*

### ***Rental Time. . .***

Most prices quoted are for a 3- day period. If you desire to use rental items for a longer period, please call us for long-term rates.

### ***Payment Terms. . .***

The balance of your payment is due prior to delivery or upon pick-up at our location. A 50% deposit is due for all tent reservations. All charges are for time out, whether the product is used or not. We accept cash, Master Card, Visa and AMEX with a Valid California driver's license.

### ***Damage Waiver . . .***

A damage waiver fee of 5% is an option available to all renters. This fee relieves the renter from liability for accidental damage to rental product. EXCLUDED from this waiver is intentional damage and misuse or lost or damaged items due to theft or mysterious disappearance. **All damaged/broken items must be returned!**

Damages/shortages is the customer's responsibility. Customer will be charged our total replacement cost. Please contact office for more details.

### ***Order Changed/Cancellations. . .***

If a customer is picking up their order, adjustments can be made at any time. Changes for delivery orders must be made more than 7 days prior to the scheduled delivery or restocking fees apply. Cancellations made after delivery, installation, or pick-up forfeit all payments. All items are subject to availability.

### ***Delivery/Pick-up. . .***

We have a different way of viewing delivery rates. Instead of basing our rates solely upon distance, we base them on estimated delivery times and distance. This approach gives us the opportunity to increase the number of available deliveries and pick-ups on our schedules, lower our costs, and pass the savings on to you. Delivery and pick-up windows are based on a 4 hour window (your most economical choice), 2 hour and 1 hour time requests. Your Event consultant will determine your delivery and pick-up rates when you place your request. All rates are based on 1 delivery and 1 pick up. Additional deliveries and pick-ups are subject to additional charges.

The driver will place the equipment within 20 feet of the delivery truck. Our office will be happy to quote an additional carry gee should you desire the rental products to be placed elsewhere. Set-up and takedown of tables and chairs is available for an extra charge and a site plan must be provided.

If you choose to pick-up (Will Call) from our location please bring any tie downs/ropes you may need. You will need to load/unload the equipment any risks or damages to your vehicle and our equipment are yours.

### ***Equipment Use. . .***

Instructions will be provided for all amusement equipment (normally on the machine itself) rented. Please be sure to inspect all equipment upon pick up or upon delivery. After your event, tables and chairs should be knocked down, stacked, and ready for pick-up. All china, glassware, etc. should be rinsed, food-free, and replaced in the containers they were received in. Linens should be free of debris and dry to prevent mildew.

*Please see the FAQ's for more detailed information or contact the office.*
